

MUHAMMAD KAMRAN

Virtual Medical Assistant • AI Student • Remote Healthcare Professional

📍 Islamabad, Pakistan | 📞 +92-348541774 | ✉️ muhammadkamrantaj@gmail.com

PROFESSIONAL SUMMARY

Results-driven Virtual Medical Assistant with proven experience supporting U.S.-based healthcare providers across endocrinology and internal medicine practices. Skilled in high-volume patient communication, insurance verification (Medicare, Medicaid, and commercial plans), EHR management, prior authorizations, and HIPAA-compliant administrative workflows. Brings additional strengths in lead generation, CRM management, and advanced graphic design. Currently pursuing a Bachelor's degree in Artificial Intelligence uniquely positioned to bridge modern healthcare operations with emerging technology solutions for remote and international healthcare settings.

PROFESSIONAL EXPERIENCE

Virtual Medical Assistant Oct 2025 – Present

Medifier Solutions | Islamabad, Pakistan

Supporting internal medicine physicians at Avita MD with full-spectrum virtual administrative care.

- Manage 50+ daily patient calls with professionalism and clinical empathy, ensuring positive patient experience and efficient resolution of inquiries.
- Coordinate medication refill requests, prior authorizations, and prescription management, reducing processing delays for physicians and patients.
- Process and track specialist referral requests, liaising between physicians, patients, and external providers to ensure seamless care continuity.
- Schedule and confirm appointments and follow-ups, maintaining high calendar accuracy and minimizing no-shows.
- Maintain accurate and up-to-date Electronic Health Records (EHR) in full compliance with HIPAA standards.
- Collaborate cross-functionally with clinical and administrative teams to streamline workflows and optimize operational efficiency.

Virtual Medical Assistant Feb 2025 – Oct 2025

DynamiZone | Islamabad, Pakistan

Provided dedicated virtual support to Dr. Fauzia Syed-Khan, U.S.-based endocrinologist with 25+ years of clinical experience.

- Verified insurance eligibility across Medicare, Medicaid, and commercial plans, ensuring accurate billing and authorization workflows.
- Managed full patient intake lifecycle including onboarding, demographic verification, and appointment coordination.
- Processed prior authorization requests and prescription refills within EHR systems, maintaining high accuracy and turnaround.
- Handled sensitive patient data with strict HIPAA compliance, maintaining zero compliance incidents throughout tenure.
- Delivered responsive patient communication, resolving administrative queries and improving overall patient satisfaction.
- Supported the physician in managing a high-volume practice through organized scheduling, documentation, and workflow tracking.

Lead Generation Specialist Feb 2025 – Oct 2025

DynamiZone | Islamabad, Pakistan

- Executed targeted cold calling and email outreach campaigns to healthcare providers and clinics, promoting medical billing and administrative support services.
- Managed and maintained CRM pipelines in Salesforce, tracking 100+ leads and driving follow-up cadence to maximize conversion rates.

- Built strong relationships with prospective clients through consultative communication, objection handling, and persuasive follow-through.
- Contributed to business development strategies by identifying high-potential prospects within the U.S. healthcare market.
- Developed professional communication, negotiation, and client engagement skills through consistent high-volume outreach activities.
